# Camp-In

## 2019-2020

We care enough to provide the ultimate experience!! Camp-In is an adventure your children 7 years and older will remember for years to come. Their overnight stay at the McKinley Presidential Library & Museum begins on Friday evening at 6:30 PM and continues until 8:00 AM Saturday morning. Each Camp-In provides an enrichment workshop that gives your young "camper" an in-depth look at a particular subject. Choose from subjects listed under 'Dates and Themes.'

### What is Camp-In?

Camp-In at the McKinley Presidential Library & Museum is an exciting education adventure stressing exploration, motivation and fun. It is a unique experience where everyone can learn by doing. **A maximum of 100 campers can attend each Camp-In. The minimum number is 30.**

### Dates and Themes

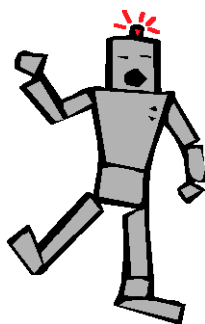

Camp-In can be scheduled this school year for Fridays from September to April. Some dates are subject to black outs. Please have two possible dates when you make your reservations. Camp-In themes can be chosen from the following list:

**\*Astronomy**--Learn about planets, stars and constellations and then enjoy an exciting planetarium show. 60-90 minutes. Grades 1-6.

**\*Chemistry Creations!**--Students will learn about chemical and physical reactions through experiments and then have a session of hands-on experiments. This program will be held in a classroom setting and can be messy. 45-60 minutes. Grades 1-6.

**\*Creepy Crawlies!**--Learn about some interesting insects at the museum. What is a bug? Why are they important? Students will be able to touch a few of the insect specimens. Look through a pair of glasses to see like a bee. Create your own bug craft. 30-45 minutes. All ages.

**\*Fun with Physics!**--Discover the wonders of physics with hands-on activities including building towers with newspapers and creating the perfect paper flying object. 60 minutes. All ages.

### Health and Safety

We want to plan for emergencies, so adults should bring an emergency phone number for each child. The Museum phone number is 330-455-7043. Fire, police, and emergency squads are only a phone call away. Once the program begins the museum will be locked. A security guard will be in the building during the overnight hours.

### Fees

\$28 per student. Adult chaperones are \$18. Cost includes pizza, snacks, workshops, programs, activities, all supplies, use of exhibits and continental breakfast. **A \$50 non-refundable deposit is due at the time of reservation, and the balance is due on arrival.**

### Arrival

Check in at the front desk at 6:30 PM. Get ready for a big welcome, then stow your gear. Next stop--supper!

### Cancellations

Should weather conditions force cancellation, the Director of Education will contact adults/teachers. Such cancellations will not be made more than 6 to 12 hours prior to the start of the program. The museum will attempt to reschedule any Camp-In cancelled by weather.

### What to Bring?

Participants will be sleeping in Discover World among the exhibits. In one bag you should bring the following: sleeping bag and minimum toilet articles, a washcloth and hand towel. Sleep in your clothes--no pajamas, radios or flashlights (except for adult group leaders). Because you are sleeping within the exhibits **NO FOOD OR DRINKS ARE PERMITTED.**

### Other Information

Coffee will be provided for adults. Adults are expected to chaperone campers during the Camp-In. **SMOKING IS NOT PERMITTED ANYWHERE IN THE MUSEUM.** The museum cannot be responsible for lost articles.
